BOOKING CONDITIONS:

- Depending on numbers, some sessions may need to be combined or are subject to change
- Bookings should ideally be made a minimum of one week in advance although we will try to accommodate everyone.
- Any cancellations less than one week before the event are liable to full payment, whatever the reason as by then we have had to decide staffing levels for teaching and yard cover.
- Please make sure you have completed a medical form for 2019, which you can download from the website.

We are very happy to accommodate children being dropped off early or picked up late to help working parents. The day can be extended from 8am and until 5.30pm. This will incur a charge of £5 at either end of the day.

If you are unsure as to what sessions would be suitable or would like to discuss anything specific, then please get in touch. We will be very pleased to help.
